How Can I Get More Involved.....

The Central Dauphin High School Band Program not only boasts several fantastic musical groups, but also provides an amazing educational opportunity for our students! Our program cannot continue to thrive, however, without the assistance of the CDHS Band Boosters. Volunteering is an important aspect in the operation of the Band Boosters Association, and we are able to accomplish much more with the help of each family! The Band Boosters support each band member, whether they are participating in Marching Band, Concert Band, Jazz, one of the Indoor Groups, or in many cases more than one of these ensembles! The more Boosters that volunteer, the more we can help the bands, and the less burden any single booster will have to bear. There are many areas and committees that allow you to help with your time, talents, and creativity. Some examples are:

- Concession Stand cooks, cashiers and bakers for Landis Field Concessions/Bake Sale, and the Craft Show;
- Chaperones (and a truck driver) for the Marching Band and Indoor Units;
- Fitting uniforms, sewing flags, constructing props and sets;
- Helping with special events like Band Fair/Pigskin Preview, Band-a-RAMa, and Legends of Music concerts;
- Spring Craft Show, and Indoor-RAMa;
- Hospitality (usually food related!) at Jazz Dessert Dances, Knoebels Grove Picnic, Ice Cream Socials and the end of the year Band Banquet.

You may be wondering, “How do I know what help is needed, and how do I sign up?” Well, it’s easy! When you provide us with your email address as part of your membership info, you will be added to our email blast list. We will send out announcements and reminders of upcoming events, and often these include a list of volunteer needs. You can also check our amazing website which is full of information about events and is the home to the RamBand Online Calendar. The website has a link to CHARMS which is the software program we use for many aspects of band business, and in this case is used to sign up for volunteer slots. You will be provided with a log in to view your student’s information and you will click on the volunteering button which will then display a drop down box of upcoming events. Click on the event to view the volunteer needs and times available. Choose which time or area you are able to help with and fill in your information so the event head can contact you. Then just remember to come and be prepared to have a lot of fun with a great group of people! Please feel free to contact any Board Member with any questions you may have.
