

Glenn Miller Orchestra Program:
Parent Ad Form
Central Dauphin Band Boosters Association
437 Piketown Road | Harrisburg, PA 17112

As you may have heard, we're hosting the World Famous Glenn Miller Orchestra on October 25, 2010! Each patron of the Glenn Miller concert will receive a program is chock full of advertisements from our RamBand Sponsors, One Line Patron Ads, and Parent Ads. A Parent Ad is a special message to your band student, whether an incoming freshman or a senior about to start that sentimental "last time" of various high school events. So, start looking for that especially sweet, favorite, or embarrassing picture to use to send a special message to your RamBand Student so you can show the love! You can design your own ad or we'll help you set it up. We prefer electronic submissions. Contact boosters@cdrmband.org if you have questions.

Please submit Your Parent Ads by October 15, 2010!
