BAND BOOSTERS ASSOCIATION
CRAFT SHOW COMMITTEE

Dear Crafter,

Believe it or not, we're already hard at work to ensure that the 20th Annual Central Dauphin Band Boosters Spring Craft Show, scheduled for April 10, 2010 at the Central Dauphin High School will be another resounding success. Last year's show was amazing and this year's show will be even better! We listened to our crafters' suggestions and revised our floor plan by moving spaces from the hallways into the bright and spacious CDHS gymnasium! And the reaction was overwhelmingly positive!

Ask any crafter who attended about the amazing crowd of shoppers, the delicious food, the great facilities, and the helpful student and Band Booster volunteers. We're confident that they'll recommend the Central Dauphin Spring Craft Show as one "not to miss!" To maximize your chances of receiving your first choice of spaces, please return the application material so that we receive it no later than January 22, 2010. We will assign spaces on a first-come, first-served basis and we'll mail notice of acceptance by early February, 2010.

Please note that we have sold out this show for each of the past several years; therefore, we urge you to submit your application material as soon as possible to avoid our disappointing you and your customers!

The Central Dauphin Band Boosters take great pride in the annual Spring Craft Show, which emphasizes unique handcrafted items. Because these special items are the emphasis of our show, we reserve the right to refuse vendor assignments for anyone offering commercially made or franchised items. Complete information on the Spring Craft Show Policies and Guidelines are available on the enclosed brochure or at our website, www.cdramband.org.

Our Craft Show Committee is already hard at work to come up with fresh new marketing and advertising ideas to attract shoppers. We anticipate another very successful show for our 20th Anniversary! If you have any suggestions or ideas on show promotion, we'd love to hear from you. Of course, if you have any questions, please do not hesitate to contact us by e-mail or phone.

Thank you for your consideration!
