The UDA Marching Band is proud to be a high-achieving competitive ensemble with a minimal time commitment. The band practices outside of school just two days a week, allowing students the opportunity to pursue other passions. This season, they will appear at three regional events in the Tournament of Bands competition circuit.

UDAMB is proud to perform at all Trojan football games, the Gratz Fair Cavalcade of Bands, and various community parades. The Band has also been a featured performer at the Rock and Roll Hall of Fame in Cleveland, Ohio and represented our area in the Festival of Fantasy parade at Walt Disney World’s Magic Kingdom in November 2019.

The band members would like to recognize the parents of the UDA Band Boosters for their tremendous support of our program. The band, band staff, and Boosters would also like to thank the faculty, administration, school board, and community of the Upper Dauphin Area School District for its support of the arts and music education.
