

Spring Craft Show Guidelines and Policies

About Our Show

The Spring Craft Show is held indoors in Central Dauphin High School, 437 Piketown Rd., Harrisburg, 17112. Admission and parking are free. The show includes nearly 175 crafters, concessions, and a raffle throughout the day. Ample free parking is available for all. The school is located just off Route 39 in Harrisburg, PA with easy access from Interstates 81 and 83.

Crafter Space

We appreciate our returning crafters! We give priority to crafters from last year's Spring Craft Show who submit timely applications. We then carefully review new applications and assign crafters to the space most appropriate for the merchandise you offer and your space requirements. We will consider and try to honor special requests for space location; however, we cannot guarantee them.

Please be aware that our high school is on two levels. The entrance provided to you will be on the same level as your space. The registration table and café may be located on a different level. An elevator is available for vendor and patron use, however if you prefer a specific level, please document on your application.

Merchandise

Because handcrafted items are our emphasis, the Spring Craft Show traditionally draws many shoppers looking for specially-made, unique items. We are not a juried show, but to ensure our reputation for top quality, handcrafted items, which is the expectation and main attraction of this event in our community, we reserve the right to refuse crafter assignments for anyone offering commercially made, franchised or resell items. We do not allow animals, fish or burning of candles, incense or potpourri at the Spring Craft Show.

Show Fees

The fee for each 10' x 6' space is \$60. You MUST keep your displays within the space you rent. Please bring your own tables, chairs & extension cords.

Please send a signed application, a photo showing your work and a photo showing you working at your craft and check payable to "CD Band Boosters" and send to:
