

The West Shore School District is proud to present one of the more unique bands in the state of Pennsylvania, the West Shore Marching Band. Established in 2015, the band is composed of students from both Cedar Cliff and Red Land high schools, and continues the tradition of excellence both previous marching bands upheld. The band rehearses three times per week during after school hours, and performs at all home football games for both high schools. The band also enjoys a full competitive performance schedule within Cavalcade, TOB, and USBands circuits. This year's competitive show is titled Pandora: Untold. It is an exploration of the Greek Myth, Pandora's Box. Soloists are Shelby Wendling, Sam Leeds, Juliana Alvelo-Davies, Joshua Wickert, Cameron Lobel, and Tyler Kerstetter. The band is under the field leadership of SK Nahf and Kate Hildebrand. Please enjoy, Pandora: Untold.
