

# CENTRAL DAUPHIN

BAND BOOSTERS ASSOCIATION  
CRAFT SHOW COMMITTEE

November, 2021

Dear Crafter:

Believe it or not, we're already hard at work to ensure that the *30<sup>th</sup> Annual Central Dauphin Band Boosters Spring Craft Show*, scheduled for April 9, 2022 at Central Dauphin High School will be another resounding success. We are back after missing two shows due to the pandemic – let's make our return a great one!

Ask any crafter who attended about the amazing crowd of shoppers, the delicious food, the great facilities, and the helpful student and Band Booster volunteers. We're confident that they'll recommend the Central Dauphin Spring Craft Show as one "not to miss!" To maximize your chances of receiving your first choice of spaces, please return the application material so that we receive it no later than December 15, 2021 for early consideration. We will continue to accept applications until all spaces are filled. Notice of acceptance and space assignments are mailed in early January.

***Please note our craft show usually has a 75% returning crafter rate and that we have sold out this show for each of the past several years; therefore, we urge you to submit your application material as soon as possible to avoid our disappointing you and your customers!***

The Central Dauphin Band Boosters take great pride in the annual Spring Craft Show, which emphasizes unique handcrafted items. Because these special items are the emphasis of our show, we reserve the right to refuse vendor assignments for anyone offering commercially made or franchised items. Complete information on the Spring Craft Show Policies and Guidelines are available in the enclosed brochure or at our website at [www.cdramband.org/events/craft-show/](http://www.cdramband.org/events/craft-show/). Please note, ***photos of your craft and of you working on your craft*** are required. We will not consider your application without receipt of both photos.

At this time, our school district has a mandatory universal masking policy. Also, in case of possible social distancing mandates, some crafter spaces may be moved into hallways adjacent to the cafeteria and gymnasium. If changes are made, a new map of the craft show vendor areas will be sent to crafters participating in the show.

Our Craft Show Committee is already working on fresh new marketing and advertising ideas to attract shoppers. If *you* have any suggestions or ideas on show promotion, we'd love to hear from you. We are anticipating another very successful show for our 30th year! Of course, if you have any questions, please do not hesitate to contact us by e-mail or phone.

Thank you for your consideration!
