

The 2022-2023 Central Dauphin High School Marching Band is excited to be back performing this year as part of the Tournament of Bands, as well as, the USBands Competition Circuits. The award-winning legacy of music excellence continues this year with our field show entitled "***Rossa Luna, Bella Luna.***" *Red Moon, Beautiful Moon*, as the title translates, explores the phases of that wondrous orb in the night sky, going from a full beautiful glowing planet, though it's full lunar eclipse. Specifically, during a 'blood moon' eclipse, the moon will light up a crimson red for an extended period, as it transitions back to its glorious original state. Come with us on this lunar journey and enjoy the CDHS Marching RamBand!

Brass Captain- Ashlee Martin
Woodwind Captain-Riley Moreland
