

The 2021-2022 Central Dauphin High School Marching Band is excited to be back performing this year as part of the Tournament of Bands Competition Circuit and for fans everywhere. The award-winning legacy of music excellence continues this year with our field show entitled “***Because, it’s there.***” These immortal words were uttered by George Mallory when asked “Why did you climb Mt. Everest?” Our show features original music by Rob Stein that depicts the perilous journey to reach the summit of the world’s tallest mountain. Join the Central Dauphin RamBand Marching Band as they go from base camp, through the long trek featuring avalanches, setbacks, and ultimate triumph as we climb to the highest heights this season!
