expires June 30; however, the Officers-elect will assume the duties related to the next year's program on May 31.

C. The process for electing Officers shall proceed as follows:

- At the Association meeting where elections are to be held, as Association members eligible to vote per Article III of the By-Laws enter the building, they shall be provided with the current ballot by an Association member either not on the ballot or on the ballot for an un-contested office, preferably a member of the nominating committee. The Band Director(s) and Financial Secretary shall be in attendance with the ability to confirm "regular members in good standing," meaning having student(s) in the band program and finances up-to-date.
- At the close of nominations, for all un-contested offices, the President shall direct the Secretary to cast a unanimous vote for nominees on the ballot and those nominees shall be declared winners of the positions for which they were nominated.
- The election for Officers-at-Large shall be deemed contested if there are four or more candidates nominated for this position.
- Voting for contested positions shall occur via paper ballot. On a blank piece of paper, the Secretary shall write the Office being contested, with the names of each nominee for the contested office written in alphabetical order under the name of the contested office. These shall be photocopied and provided to all eligible voters.
- Those who wish to vote shall be directed to circle the name of the candidate(s) for whom they wish to vote. For Officers other than Officers at Large, voters shall circle no more than one name for each contested position. For Officers at Large, voters shall circle no more than three names. Voters shall fold the paper in half and place it in the ballot box provided for this purpose.
- After all voters have had the opportunity to vote, votes shall be counted in a room separate from the Association meeting. Counting shall be performed by two Association members whose names are not on the paper ballot and whose spouses' or partners' names are not on the ballot. In order of preference, the two counters shall be: 1. Members of the nominating committee who have agreed in advance to be counters; 2. Members of the current Executive Committee who have agreed to be counters in the absence of eligible nominating committee members; 3. Members of the upcoming year's Executive Committee; 4. Any two Association members.
- On an unused paper ballot, counters shall tally the votes for each candidate for each office.

- For offices other than Officers at Large, winning candidates shall be those receiving a simple majority of the votes cast. In the event that no candidate receives a simple majority of the votes, subsequent rounds of balloting shall occur for only those Offices without a winner, with the ballot comprised of only those receiving the highest two number of votes (and ties) in the most previous round of balloting, until such time that a majority winner can be declared.
- For Officers at Large, winning candidates shall be the three receiving a simple majority of votes cast and the three highest number of votes. If ties using these criteria would result in more than three winning candidates, subsequent rounds of balloting, involving only those candidates receiving a simple majority in the most previous round of balloting, shall occur for this Office until the three winners can be declared.
- Counters shall provide the names of winning candidates to the Secretary, who shall announce the winners to the Association. Actual vote counts shall not be made public.
- After winners have been announced, the current President shall call for a motion to destroy all paper ballots used for voting, including the one used to tabulate the votes. If so moved, the current President shall call for the motion to be seconded. If seconded, the current President shall call for a vote of acclamation (voice vote) from all Association members present at the meeting. If approved, one of the two vote counters shall destroy said paper ballots.
- Except in extenuating circumstances, members eligible to vote shall not leave the meeting until winning candidates have been announced.
